KRISTI

HOUSE

THANKSGIVING FOOD DRIVE

Kristi House is the child advocacy center for Miami-Dade County that coordinates all the agencies involved in cases of child abuse and sex trafficking. We provide counseling, therapy and all the help children and families need to recover. All services are provided at no charge.

Most of our families have extremely limited resources, further compounded by the turmoil of abuse. We seek to maintain a fully stocked pantry with food, diapers, and toys for the nearly 2,000 children we serve each year. These additional supplies help stabilize the family so they can focus on getting better.
