CELEBRATING 30 YEARS AND 30,000 CHILDREN SERVED

SATURDAY, MAY 10, 2025
LOEWS CORAL GABLES HOTEL

Why Support Kristi House?

The statistics are staggering, but your support makes it possible for Kristi House to heal children and families through therapy, family advocacy, and prevention education. This is the reality:

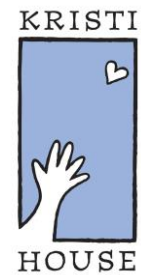

- ◆ 1 in 5 children will be solicited for sex or explicit photos from an online “friend.”
- ◆ 1 in 10 children will be sexually abused before their 18th birthday.
- ◆ More children in Florida, particularly South Florida, are apt to be trafficked with the state ranked third in the U.S. for child sex trafficking.

Kristi House Children’s Advocacy Center is the solution. This year, we celebrate serving 30,000 children and their families throughout the past 30 years.

A Community of Support

Kristi House is always ready and able to provide services to all the child-victims and their families who come through our doors. Thanks to generous philanthropic support, we never turn any child away and **services are provided at 100% no cost to children and families**, a commitment maintained since founding. Over the past 30 years, this solution-oriented work has been possible because of our dedicated board, donors, volunteers, and multidisciplinary team of experts.

100% of event proceeds are dedicated to providing critical programs and services.

The Pearl in Paradise

Like the precious gem formed over time to overcome that which is wholly unwanted, Kristi House is a pearl for this community, growing larger and more treasured through the years in its work to overcome child sexual abuse. It is fitting that the pearl is the 30th anniversary gem and this year's symbol for Kristi House's 30th Anniversary Gala, "The Pearl in Paradise," on Saturday, May 10, 2025, celebrating 30 years and 30,000 children served. Join us to be transported to an undersea wonderland, celebrating life, love, healing and community at the Loews Coral Gables Hotel. Dive into this night of elegance and excitement by becoming a sponsor where we can showcase your precious support to our 450 guests.

Saluting Leadership

At the Gala we will present this year's **Crusader of the Year Award**, Kristi House's highest honor bestowed on those who have demonstrated unwavering support and advocacy for children and the work of our organization. The inaugural award in 2023 went to **State Attorney Katherine Fernandez Rundle**, a founder of Kristi House who has led the Children's Advocacy Center's pursuit of justice for those who harm children. The 2024 Award went to lifelong public servant and advocate for children, the **Chairman Oliver C. Gilbert, III** who has been a dedicated public servant and staunch supporter of children and Kristi House for many years.

More About Kristi House's Work

Kristi House is dedicated to treating and preventing child sexual abuse, trafficking and other childhood trauma, working closely with community partners, parents and providers.

Child Trauma Experts

Kristi House provides children and their families with proven, evidence-based mental health interventions and wraparound services which enable them to get past the trauma and go on with their lives. In most cases, children and youth who complete treatment with Kristi House emerge stronger than ever.

Unique in Miami-Dade

Operating the nationally accredited Children's Advocacy Center responsible for all of Miami-Dade County, Kristi House is the only facility dedicated to a mission of system coordination to ensure that all emotional, physical and legal needs for child sexual abuse and teen sexual assault victims are provided. Every week partner-agencies — including medical staff, guardians, social service investigators, police, prosecutors, therapists and case workers — meet to discuss individual cases to make certain that no child falls through the gaps in our complex systems of care and justice. All services are provided at no charge to victims and families.

Wraparound Support for Healing

In addition to coordinating the Kristi House Children's Advocacy Center Multidisciplinary Team, we provide the specialists to help the child and family heal. Our direct services staff includes engagement specialists, care coordinators and master level and licensed Therapists trained in the most effective interventions for recovery.

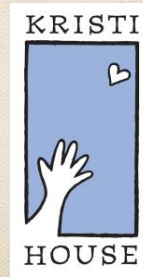

Restoring Lives

Kristi House additionally treats many forms of mental health trauma with evidence-based modalities and best-in-class services from a team of experts. In the past 29 years, Kristi House has treated 28,200 children, trained 157,000+ individuals, and expanded to five locations. Beyond the numbers, thousands of lives have been restored, putting the trauma of abuse behind.
