

The Healing Sanctuary

PARTNERSHIP
South Miami-Dade

A partnership of MUJER and Kristi House to create a shared service center campus to serve children, women and families in southern Miami-Dade County.

Partner, Support and Invest in Our Vision

We invite you to partner with Kristi House and MUJER to provide healing and hope for those overcoming violence, abuse and other trauma.

Lease Space

Starting in July 2025, office space will be leased to organizations and companies that are also dedicated to children and families. Leases of 1,000 to 7,500 SF will be available at competitive market rates.

Rent the Sanctuary Space

Ideal for meetings, education and training programs, and community or private celebrations, the sanctuary space is available for rental starting now, and the adjoining lawn in July 2025. For receptions, the sanctuary can hold up to 330 people, and the lawn can host up to 600 people. For sit-down events, up to 175 guests can be accommodated inside.

Make a Gift toward Site Acquisition

Gifts of every size are welcome toward the capital cost of the campus. We invite you to join The Miami Foundation and The Frederick A. DeLuca Foundation, both of which affirmed this project's potential and promise with seed funding and financing.
