

KRISTI HOUSE CHILDREN'S ADVOCACY CENTER

HOLIDAY FOOD & TOY DRIVE

Kristi House is the Children's Advocacy Center for Miami-Dade County that coordinates all the agencies involved in cases of child abuse and sex trafficking. We provide therapy and all the help children and families need to recover. All services are provided at no cost to families.

Most of our families have extremely limited resources, further compounded by the turmoil of abuse. We seek to maintain a fully stocked pantry with non-perishable food for the 2,000 children we serve each year. These additional supplies help stabilize the family so they can focus on healing.
