KRISTI HOUSE CHILDREN'S ADVOCACY CENTER

Why Support Our Holiday Party

Each year, Kristi House provides therapy and other services to over 2,000 children and their families affected by childhood sexual abuse, human trafficking and other trauma. Many of our families face other hardships, and Kristi House aims to alleviate as many stressors as possible so families can focus on healing.

This holiday season, please help us bring joy to our children by donating holiday gifts and supplies to help us provide a wonderful holiday event where each child can celebrate the season with joy and warmth!

More About Kristi House: Kristi House is dedicated to treating and preventing child sexual abuse, trafficking, and other childhood trauma, working closely with community partners, parents, and providers. Operating the nationally accredited Children's Advocacy Center responsible for all of Miami-Dade County, Kristi House is the only facility dedicated to a mission of system coordination to ensure that all emotional, physical, and legal needs for child sexual abuse and teen sexual assault victims are provided.

The pages that follow show the benefits and potential expanded branding we can offer sponsors for what we hope will be a continued partnership to benefit the children of Kristi House.
